- (b) Individuals who do not have current access to an internet connection in order to visit the contest website, or a valid email address to register.

How to Enter – On-Line Entry: Be one of the first (2,500) eligible contestants to visit www.catcountry1073.com or www.1450espn.com, click the link to the contest website during the “Registration Period” and fully complete and submit an official on-line contest entry with all required information. Each entrant must fully complete the registration page with all required information including his/her name, complete address (*including City, State, and Zip*), valid email address, birth date, and phone number(s) (*including area code(s)*) – along with their guess of the ‘Licensed to Ride’ 6-digit winning number that has been randomly selected for this contest. **Entrants have the option of submitting the first 6-digits of their valid New Jersey driver’s license number or any 6-digit number submission of their choice as their official entry in the contest.**

The actual predetermined grand prize winning 6-digit ‘Licensed to Ride’ number will be comprised of 6-digits, that each fall between 0 – 9, inclusive. Digits may repeat within the winning 6-digit number sequence – i.e. the winning number could be any number from 000000 – 999999. Each contestant must submit their guess of the winning 6-digit check number in its exact correct order.

After having read and agreed to these Official Rules, click the submit button to submit your on-line entry. **Maximum of one entry per person or per valid email address during the entire Registration Period. Submitting more than one entry per person will invalidate all entries by that contestant.** All on-line entries must be fully complete for all required information. **Any available opt-in opportunities are not required to enter the Contest, and checking the opt-in boxes will not improve your chances of winning.** Eligible on-line entries must be one of the first 2,500 entries received, and must be submitted and received by 11:59:59pm ET on **6/17/09**.

Any on-line entry submitted with an invalid email address will be disqualified. Incomplete or illegible entries will be disqualified. Released Parties are not responsible for lost, late, misdirected, illegible, incomplete, invalid, unintelligible, damaged, or for entries submitted in a manner that is not expressly allowed under these rules, or for any entry not submitted or received due to any technical error or failure, human or programming errors, unauthorized human intervention, inaccurate capture or mis-entry of any required information, or the failure to capture any such information for any reason, or effects of hackers or failure of any electronic equipment, computer transmissions and/or network connections; all of which will be disqualified.

Each participant must submit an entry on his/her own behalf. Any entry submitted on behalf of another individual or using another person’s email address or name will be disqualified and ineligible to claim any prize. Any attempt by any participant to obtain more than the stated number of entries allowed by using same, multiple/different email addresses, identities, or any other methods void that participant’s entries and that participant may be disqualified. No mechanically reproduced or automated entries permitted. Use of any automated system to participate is prohibited and will result in disqualification and all such entries will be deemed void.

In the event of a dispute as to any on-line registration, the authorized account holder of the e-mail address used to register will be deemed to be the registrant and he/she must be eligible according to these Official Rules. The "authorized account holder" is the natural person assigned an e-mail address by an Internet access provider, online service provider or other organization responsible for assigning e-mail addresses for the domain associated with the submitted address. All entries received become the property of the Sponsor and will not be returned.

Eligible Entries: Only the first (2,500) eligible entries received from contestants who have successfully completed the on-line contest entry will be eligible to participate in the grand prize contest (*see below*). Any additional entries after the first (2,500) entries have been received will be disqualified, and are ineligible to participate or win any prize, regardless of the accuracy of their submitted number guess.

Grand Prize Contest – Guess the 6-digit ‘Licensed to Ride’ grand prize winning number: The predetermined grand prize winning 6-digit ‘Licensed to Ride’ number will be **randomly pre-selected** prior to the start of the contest by the contest administrator. The winning 6-digit number will then be placed into a sealed security envelope prior to the start of the contest registration period, and will be held during the contest registration period by representatives of the Sponsors. Each digit within the winning number shall fall between 0 – 9, inclusive and the winning number may be any number between 000000 – 999999, inclusive. Numbers may repeat within the 6-digit winning number.

At the conclusion of the contest registration period **on or about 6/18/09**, each eligible entry received during the Registration Period will be compared to the grand prize winning number, to determine if any eligible contestant has correctly submitted the winning 6-digit ‘Licensed to Ride’ number in its exact winning order of sequence. (IE – each number must be in the correct position.) In order to be eligible to claim the grand prize (*see below*), an eligible contestant must have correctly guessed the predetermined grand prize winning number by correctly guessing each digit in the 6-digit winning number **in their exact winning order**. For example, if the winning check number was ‘123456’, then a submitted number guess of ‘654321’ **would not** be considered a winning entry or attempt.

If the grand prize winning 6-digit check number is not correctly submitted in its exact winning order by an eligible contestant during the registration period, according to these official rules, then the **grand prize will not be awarded**.

Bonus Prize Contest – Closest Guess: The eligible contestant who has submitted a guess closest to the predetermined grand prize winning number will be declared the ‘Bonus Prize Winner’. The bonus prize winner will be determined by identifying the contestant who has guessed the most winning digits in exactly the correct order, starting with the 1st winning digit. In the event of a tie between any eligible contestants, the first tie breaker will be based upon which contestant guessed closest to the next winning digit, regardless of whether their guess of the next digit is higher or lower than the actual winning digit. In the event of a remaining tie, then a random drawing will be held among tied contestants to determine the bonus prize winner.

Prize Awards & Delivery:

Grand Prize: In the event a winning entry is submitted by an eligible contestant, the corresponding contestant who submitted the winning entry will be eligible to claim the grand prize, subject to approval and verification of compliance with these official rules. The grand prize includes:

- **Two (2) (‘His & Her’) 2009 Sea-Doo GTI 130 SE vehicles including a 4-year extended warranty, each with a maximum retail value not to exceed \$9,850 (Total maximum value not to exceed \$19,700)**

- **Sales tax, freight and assembly costs (Total maximum value of \$2,960)**

A maximum of one (1) grand prize will be awarded. In the event that more than (1) eligible contestant submits a winning entry during the contest, then a random drawing will be held among all entrants who have submitted the winning number. The entrant randomly selected during the drawing will be declared the grand prize winner. Each of the remaining entrants will not be eligible for any prize award or compensation. In the event that no contestant submits a winning number guess, then the grand prize will not be awarded.
