OR

Selected finalist, once contacted, may request that a contest administrator or representative of the sponsor act on their behalf to participate in the contest. Selected finalist need not be present at the grand prize contest to win. In the event of a winning occurrence, the selected finalist will be the sole winner of any and all prizes awarded for the contest, and the person acting on their behalf will not be eligible to win.

The selected finalist will be presented with a total of (20) sealed contest envelopes. Two of the contest envelopes will contain grand prize winning certificates printed with winning symbols. The two winning symbols for this contest are: Green Traffic Lights. Each of the remaining (18) contest envelopes will contain non-winning certificates. - Each finalist must select from the (20) sealed contest envelopes available for the contest attempt. Each sealed contest envelope will be identical in size, shape, and color with the exception of the number labeled on the envelope (encompassing the range from 1 – 20).
- Each finalist will be required to select and open a maximum total of (2) sealed contest envelopes. Opening more than (2) sealed contest envelopes for any reason will disqualify the contestant, and void any opportunity to claim the grand prize.
- Each finalist must then reveal each of the prize certificates contained in their selected prize envelopes to the contest administrator to determine if the certificate is a "Winning" or "Non-Winning" prize certificate.

In order to claim the grand prize, each of the (2) sealed contest envelopes selected and opened by an individual contestant must contain a "Winning" prize certificate. If a finalist selects any contest envelope that contains a "Non-Winning" prize certificate, they will not be eligible to claim the grand prize.

IMPORTANT: In the event of an error in the preparation of the contest materials or any tampering that results in the (20) sealed contest envelopes containing more than (2) "Winning Prize Certificates", all contest attempts are void.
